Buy With Confidence Scheme

Buy With Confidence is a member of the Local Authority Trader Scheme Network (LAATSN) supported nationally by Trading Standards and the Office of Fair Trading and is the largest assured trader scheme in England.

If you are looking for a good, honest trader to carry out work in your home then take a look at www.buywithconfidence.gov.uk. In order to become a member businesses are checked for their commitment to customer service and compliance with consumer protection law.

To make your search easier this is the list of businesses in Luton that are members of the Buy With Confidence scheme.

While we cannot guarantee that nothing will ever go wrong, if you have a problem with a member of the scheme they are required to deal with any complaints in a fair and equitable manner. If the complaint cannot be resolved, the Trading Standards Service will attempt to assist in reaching a solution.

Members have to make customer feedback forms available. Please take the time to fill them in and return them to us so we can monitor members, performance.

The list will be continually updated so please check that you have the current version if you use it in the future.
