

# Mine's a Pint!

Look out for either of the stamps on the glass that ensure it can hold a pint

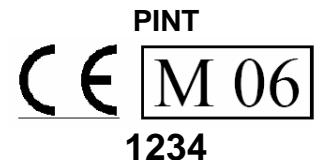

(see below)

**Old style  
but still  
legal....**

**The new  
CE  
mark....**

**Businesses** - you should contact your local Trading Standards Service for advice on the new stamps or other consumer protection laws.

**Consumers** - contact Consumer Direct when you need advice about resolving issues or disputes with traders or retailers. Consumer Direct can also give advice before you buy goods or pay for services.
