Dear John,

**Consultation on Proposed Amendments to the Conditions of Operation for Licensed Taxis and Private Hire Vehicles**

I am writing, on behalf of Oldham Town Centre Partnership, in response to the above consultation process.

Tony Allen presented the consultation paper to the Oldham Town Centre Partnership Board meeting on 14<sup>th</sup> December.

After consideration, the Board members agreed that the proposals are to be welcomed.

I can therefore confirm that the Partnership Board supports the proposals as laid out in the consultation document.

I look forward to the successful implementation of these proposals.

Yours sincerely,
